

CHAPTER 18

RANKS WITH STAFF HOLDING PERSONAL SALARIES

18.1 This group is composed of ranks which are either obsolescent but in which there are still serving civil servants, or which are occupied by civil servants who have elected to retain a pay scale no longer applicable to the rank. In addition it includes a small number of ranks to which no fixed pay scale is assigned. We do not make any detailed recommendations for these ranks. Those staff remunerated on Master Pay Scale points will automatically benefit from the revision of the Master Pay Scale. Staff not on the Master Pay Scale should be awarded a percentage increase similar to the increase in the Master Pay Scale at the point nearest to their personal salary point.
