The Secretary General,
Standing Commission on Civil Service
Salaries and Conditions of Service,
Room 1801, Tower I,
Admiralty Centre,
18 Harcourt Road,
Hong Kong.

Dear Sir,

Since the leakage of information to the media in relation to the findings of the pay level survey a great deal of controversy has arisen and many statements of an acrimonious nature made. The staff side of the Force Council has no wish to be involved in nor associated with this type of situation, which is reminiscent of the position which existed prior to the interior award earlier this year.

At future meetings of the PLSAC the Police Force Council will be represented by an officer appointed from the official side of the Council who will attend the meetings in an observer capacity and maintain a watching brief. The views of the four Police Staff Associations, which comprise the staff side of the Council, will be submitted in writing to the Commissioner of Police and relayed to the Standing Commission on Civil Service Salaries and Conditions of Service.

I trust that this arrangement will prove satisfactory and enable you to consider further any issues raised which are of particular concern to the Force.

Yours faithfully,

A handwritten signature in ink, appearing to read 'E. Blackburn'.

(E. Blackburn)

for Commissioner of Police
