

CHAPTER 6

FUTURE PROGRAMME OF WORK

6.1 The focus of the Commission's work in 1990 will continue to be on the overall salary structure review. The review of Professional, Degree and Related Grades and Polytechnic Higher Diploma, Diploma and Related Grades is expected to be completed in April 1990. The remaining grades will be reviewed thereafter.

6.2 The Administration has been reviewing the subject of civil service housing benefits for some time. We understand that it is consulting staff on the issue and is working on some concrete proposals. We expect to be invited to advise on these in early 1990.
