

CHAPTER 6

FUTURE PROGRAMME OF WORK

6.1 As indicated in Chapter 5, we shall deliberate on the new Education Allowance Scheme and the new School Passage Scheme proposed by the Administration when the additional information we sought is available. We expect the Administration to seek our formal advice on proposals to simplify the administration of leave.

6.2 During the coming year, we will continue to review the structure and salaries of individual grades where exceptional or changing circumstances so justify. We will tender advice on any proposals from the Administration for changes in civil service conditions of service and review the pay trend survey methodology. We will also discharge other functions as required by our Terms of Reference.
