Form S2: Reporting change of RR/MDRTB treatment outcome status of the last treatment episode

<p>Instruction: This form must be completed within one week of retreatment that occurs within 5 years of starting the latest TB treatment episode. ^a Send the completed form to the Service Statistics Unit by fax.</p>	<p>Attach the patient's gum label here including HKID number</p>
--	--

1. Updated treatment outcome status of the last MDR-TB treatment episode according to WHO definitions ^b (Circle one of the following):
 - a. Re-treatment after relapse: These patients have previously been treated for TB. They were declared "cured" or "treatment completed" at the end of their most recent treatment course, and are now diagnosed with a recurrent episode of TB (either a true relapse or a new episode of TB caused by reinfection).
 - b. Re-treatment after failure: These patients have previously been treated for TB and whose treatment failed at the end of their most recent course of treatment.
 - c. Re-treatment after loss to follow-up: Previously known as re-treatment after default, these patients have previously been treated for TB and were declared lost to follow-up at the end of their most recent course of treatment.
 - d. Re-treatment with previously unknown outcome: These patients have previously been treated for TB but whose outcome after their most recent course of treatment is unknown or undocumented.

2. Date of restarting treatment (DD/MM/YYYY): _____

3. DOS of last episode of MDR-TB treatment (DD/MM/YYYY): _____

^a **Example 1:** Patient is starting MDR-TB treatment for this episode on 1 Jan 2017. This is a case of re-treatment after MDR-TB relapse with treatment given from 1 Jan 2013 to 1 Jan 2014. Re-treatment after relapse within 5 years after 1 Jan 2013 should be captured in Form S2 upon re-treatment.

Example 2: Patient is starting MDR-TB treatment for this episode on 1 Jan 2017. This is a case of re-treatment after loss to follow-up with treatment given from 1 Jan 2013 to 1 Mar 2013. Re-treatment after loss to follow-up within 5 years after 1 Jan 2013 should be captured in Form S2 upon re-treatment.
