WHEN AN APPLICATION CAN BE MADE

- 3 Any person who wishes to propose amendments to a statutory plan (the Plan), i.e. an Outline Zoning Plan or a Development Permission Area Plan, may submit an application to the Town Planning Board (the Board) for amendment of plan under section 12A of the Ordinance. An application can be made in respect of any matter shown on the Plan and the provisions in the Notes of the Plan, except for the following:
 - (a) any matter relating to a new draft plan exhibited under section 5 of the Ordinance which has not yet been approved by the Chief Executive in Council (CE in C) under section 9;
 - (b) any matter relating to the amendment(s) incorporated into a draft plan exhibited pursuant to section 12(3) of the Ordinance and the amendment(s) has not yet been approved by the CE in C; or
 - (c) any matter relating to the amendment(s) incorporated into a draft plan exhibited under section 7 of the Ordinance and the amendment(s) has not yet been approved by the CE in C.
- 4 The exceptions set out above are to ensure that there would not be an overlap of procedures in the plan-making process. When the Board makes a new draft plan or amendments to an approved or draft plan, section 6 of the Ordinance provides that any person may make representation to the new draft plan or the amendments so exhibited. Any proposal to amend a new draft plan or the amendments under exhibition should be submitted as part of the representation in accordance with section 6(2)(a)(iii) of the Ordinance.
- 5 The application for amendment of plan would be considered by the Board within 3

months of receipt. If the Board agrees to the proposal, the proposed amendment will be incorporated into a draft plan for exhibition in the normal plan-making process.

WHAT CAN BE APPLIED

- 6 The Plan includes the following:
- (a) the covering Notes which set out the terms and general provisions of the Plan;
 - (b) a set of Notes which sets out for each land use zone the uses or developments that are always permitted (the “Column 1” uses) and those requiring permission from the Board (the “Column 2” uses); and
 - (c) additional restrictions, if any, on uses or developments within a particular land use zone specified under the “Remarks” in the Notes for that particular land use zone.
- 7 An application for amendment of plan may be submitted in respect of the land use zonings on the Plan, the provisions in the covering Notes, the Column 1 and 2 uses for a particular land use zone and/or the planning intentions and development restrictions stipulated in the Notes. If the application is related to a specific site, it may be supported by an indicative development proposal showing the intended development upon amendment of the Plan. The indicative development proposal should be for reference only and not be regarded as an approved development, even if the Board accepts the application in whole or in part.
