Dear Amy,

Please be advised that a metal mesh of **2.5m high** will be erected along the northwestern to northeastern and western boundaries of the application site. Attached the revised Master Layout Plan for your reference as requested. Kindly note that the metal mesh alignment is same as that presented in the LMP (no. LMP 01) submitted on 22.8.2022. Thank you for your kind attention.

Best regards,
Isa Yuen Assistant Town Planner
