## Objection of the Residential Development in Ma On Shan Tsuen (S/MOS/22)

Ma On Shan is one of the most popular hiking place in Hong Kong, well-known for its breathtaking scenery. Also, Ma On Shan is the only mine ground in Hong Kong which serves a significant history of Hong Kong Mining Industry. Unfortunately, the government is planning to turn this lovely place into low-density residential development.

Our committee would like to urge government to cease this development. Please join us by signing this petition letter. The more signatures we gather, the stronger our petition could be! We need your support! The personal information we collect from you will only be sent to Shatin District Council - Development & Housing Committee.

## Objection of the Residential Development in Ma On Shan Tsuen (S/MOS/23)

Ma On Shan is one of the most popular hiking place in Hong Kong, well-known for its breathtaking scenery. Also, Ma On Shan is the only mine ground in Hong Kong which serves a significant history of Hong Kong Mining Industry. Unfortunately, the government is planning to turn this lovely place into low-density residential development.

Our committee would like to urge government to cease this development. Please join us by signing this petition letter. The more signatures we gather, the stronger our petition could be! We need your support! **The personal information we collect from you will only be sent to Shatin District Council - Development & Housing Committee.**

馬鞍山互助委員會<sup>23</sup>

反對馬鞍山村改建為私營房屋 (S/MOS/22)

馬鞍山郊野公園是香港著名行山徑之一，除因為怡人景色外，馬鞍山礦場是全香港唯一的鐵礦場。這裡見證了香港礦業的重要歷史。現今政府打算收回馬鞍山村發展成低密度住宅樓宇，實在令人痛心。

馬鞍山互助委員會促請政府取消此發展計劃。請各位人士參加聯署，讓政府聽到我們的心聲！多人簽署令信件更具說服力。讓我們一起保護馬鞍山這極具價值的地方。謝謝你們！所有資料只供提交城市規劃委員會之用。絕不分享作其他用途。

# Ma On Shan Mutual Aid Committee

## Objection of the Residential Development in Ma On Shan Tsuen

Ma On Shan is one of the most popular hiking place in Hong Kong, well-known for its breathtaking scenery. Also, Ma On Shan is the only mine ground in Hong Kong which serves a significant history of Hong Kong Mining Industry. Unfortunately, the government is planning to turn this lovely place into low-density residential development.

Our committee would like to urge government to cease this development. Please join us by signing this petition letter. The more signatures we gather, the stronger our petition could be! We need your support! **The personal information we collect from you will only be sent to Shatin District Council - Development & Housing Committee.**
